

UNISTRUT® PREFAB SERVICE

- Custom lengths, cuts
- Curved channel
- Pre-assembly or kitting
- Schedule management
- Custom labelling and packaging
- Design & calculation support
- BIM / CAD models

Custom Trapeze

Support Frames

Why choose prefab?

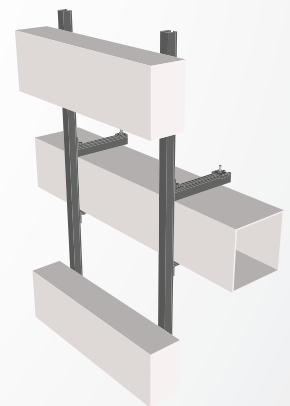

- **SIMPLIFY INSTALLATION:** order products ready-to-install
- **SAVE TIME:** Minimize on-site fabrication
- **MINIMIZE SCRAP:** order strut at pre-cut lengths

Please send drawings or a description of the desired design to:
